Grateful thanks to Fr Paul and to all who made my Diamond Jubilee Celebration at Sacred Heart so very special. It was a privilege to be invited to renew my religious vows. Thanks to Pete for a potted version of my history! Thanks for the beautiful bouquet of flowers, and cake. I was glad to talk about the Rustenburg Project that you have been supporting so generously since 2010. New Life, New Hope, World Peace to All, love Maire ♥

Church Cleaning Volunteers

The next regular monthly church clean will take place this Saturday 30th May at 9.00 am

The church cleaning squad get together once a month on a Saturday, but we need more volunteers. With a good-sized team, the church is spick and span in just over an hour. If you can spare an hour that would be great. If you could bring your own broom, mop, and bucket it helps but not essential if you don't have one!

Newcomers are always welcome. Please come along to help if you can.

SACRED HEART FEAST 2026

This year our Parish Feast Day falls on Friday 12th June. This is a good opportunity for us to come together in prayer to honour the namesake of our church - The Most Sacred Heart of Jesus. Apart from attending Mass on that day, there is an opportunity to make a Novena to the Sacred Heart from 4th June to the 12th. Please click on the link below to access novena prayers and reflections for that time. If you do not have access to the internet, please ask Fr Paul for a hard copy of the booklet.

The Terminally Ill Adults (End of Life) Bill ("the assisted dying bill") — a Private Member's Bill (PMB) to legalise assisted dying in England and Wales — failed to complete its passage through the House of Lords before the end of the 2024–26 parliamentary session. Supporters are therefore expected to seek the bill's reintroduction in the next session. There are many concerns identified when the bill was previously considered including:

1) the risk of devaluing the lives of specific groups of people, 2) the impact on people who feel a burden, 3) the difficulty in accurately identifying an individual's prognosis, 4) the difficulty of ensuring capacity and consent, 5) the difficulty of elder abuse and coercion which doctors can't easily

assess,6) the impact on trust between doctors and patients,7) the impact on palliative care service funding and practice8) its failure to respect the sacredness of life
Please join calls to defend life until natural death and to ask our MPs to act morally and to look at more ethical options to support those living with pain, disability or illness. Right to Life have an easy tool to message your MP which takes seconds. Please take this urgent action now.
